

Wild Child Forest School: Hiring Assistant Leaders Full Time Summer Staff Positions (2 positions available)

We are looking for someone magical with children to help deliver PEI's first forest school program in Charlottetown. Our ideal candidate would love being outside in all weathers and enjoys playing with kids, with an eye for safety and risk management.

About Sierra Club Canada Foundation

Sierra Club Canada Foundation empowers people to protect, restore and enjoy a healthy and safe planet. SCCF's objective is to protect and restore the health of the natural environment, including communities, by empowering Sierra Club members and its citizens through education and action.

Sierra Club Canada Foundation is committed to creating a diverse work environment and is proud to be an equal opportunity employer.

Wild Child Forest School is a project of Sierra Club Canada Foundation that provides child led, play-based learning through repeated exposure to nature. At forest school we empower children to take the lead on their learning in a natural setting over time, which may mean getting wet, dirty, making stuff with tools, and learn to extend their limits in a thoughtful and intentional way.
