

You are cordially invited to hear Kanesatake First Nation's own

Grand Chief Serge Simon

Announces the **Treaty Alliance** and **Alternative economies**

Where: Rm 1267 (12th flr - Hall Building) 1455 De Maisonneuve Blvd

When: 3:00 pm

About: The alliance is part of an Indigenous Sovereignty resurgence of First Nations who are reasserting themselves as the legitimate caretakers of their territories. The allied signatory of Indigenous Nations aim to prevent a pipeline/train/tanker spill from poisoning their water and to stop the Tar Sands from increasing its output. It is critical that we start building a more sustainable future. The Treaty's ban includes the following new, converted or expanded pipeline infrastructure projects in Canada and the US, any of which, if allowed to proceed, would lead to a major expansion of the Tar Sands:

- TransCanada's Energy East
- Kinder Morgan's Trans Mountain
- TransCanada's Keystone XL
- Enbridge's Northern Gateway
- Enbridge's Line 3

Grand Chief Serge Simon is the elected Grand Chief of Kanesatake First Nations and one of the co-founders of the Treaty Alliance Against Tar Sands Expansion, an anti-pipeline group that now comprises 115 chiefs from First Nations across Canada and the United States. He is co-chair to the Sierra Club Quebec.
